

## June LLI Forum

**Wednesday, June 6, 2012, at 10 a.m.**  
**(Social Time at 9:30 a.m.)**

*The Role of the Annandale Campus of  
 NVCC In Support of the  
 Senior Community and LLI*

Dr. Barbara Saperstone, Provost of the Annandale Campus of Northern Virginia Community College, will Address Current College Issues and Answer Your Questions

NOVA's Annandale Campus is a major part of the success of our Lifetime Learning Institute. It has a mission to reach out to the entire community, including seniors/retirees. What has NOVA/Annandale done well, what can it do better, and what are some of the plans for the future? How does LLI interact with the college faculty? The Provost shares some of her insights and observations.

Dr. Saperstone holds BS and MS degrees in Physical Education and received her Doctorate of Arts from George Mason University. She has been at the Annandale Campus of Northern Virginia Community College for 32 years, beginning as an adjunct (part-time) faculty member in Physical Education. In addition to teaching, she served as Assistant Chair of Physical Education, Dean of the Liberal Arts Division, and, currently, Provost of the Annandale Campus.

As part of our interface with the college, the Forum program will include presenting the scholarship winners and hearing from these outstanding students. We will also from hear Dr. Bruce Mann, who has worked closely with us on the scholarship program.

Additionally, we will hold our annual business meeting in which we present the budget for next year and elect the new board members and officers.

Please bring your questions for Dr. Saperstone to address during this informative session and plan to stay to participate in LLI's annual business meeting.

**Please Note:** *Parking is in parking garage (\$1/hour). Parking in B and C lots is by permit only. If no garage parking slots are available, a \$6 daily permit for the B lot is available at the office to the right just inside the entry gate.*

## President's Message

**W**e are looking forward to the June Forum in which we strengthen our ties to the LLI membership and to the Northern Virginia Community College. I encourage ALL members to attend, as I feel it is important to have maximum attendance for both of these important aspects of LLI. A great deal of activity goes on behind the scenes to develop and operate our Lifetime Learning Institute and this is a good way for you to show your interest and appreciation.

We have a significant partnership with the school. At our June meeting, we will be hearing from the scholarship recipients; some of the faculty; and, for the first time, the Provost of the Annandale Campus, Dr. Barbara Saperstone. The scholarships are an important part of our external support to the community and it is great to hear from these talented and capable young people. And without the support of the faculty and administrators of the Annandale Campus of NOVA, our program could not exist.

In addition we will be presenting the operating budget for next year. We have an interesting financial situation in that the membership dues (which have not been increased in five years) are no longer sufficient to cover our expenses. However, we have also built up a significant reserve, which we will draw on for the next couple of years to avoid a dues increase. This is the item noted "Retained Operating Funds" under Income on the **Budget for Fiscal Year 2013**, which was part of the May newsletter. You may wish to bring your copy of the budget to refer to during the meeting.

As we wind down for the summer, we look forward to the transition to the new board and officers. It has been my privilege to serve as president for the last three years and it is time to turn over the reins. I am pleased with the progress LLI has made.

*Paul Hopler*

## Trip Committee News — Preview of September Day Trip

Tour Brookside Gardens in Wheaton, followed by Wings of Fancy, a live butterfly display. Lunch is in Rockville at Mykonos, a Greek restaurant. Later, head to Strathmore for a tour of the Music Center and Mansion.

Look for further information in June online and at the Forum.

## Community Outreach

Betty Lee Thatcher 703-354-8154  
Carol Weber, caroljeanweber@hotmail.com

Our June food collection, the last collection until the September Forum, will be donated to the ACCA Food Pantry. In addition to the Food Pantry, ACCA (Annandale Christian Community for Action) operates several other programs for low-income families, including furniture distribution, emergency financial assistance for families in crisis, transportation to medical appointments for elderly and disabled, and a developmental day care center. Volunteers run all programs except for the Child Development Center. Twenty-six churches in the Annandale/Bailey's Crossroads area collaborate to operate ACCA, which is now in its 45th year. In addition to the member churches, food is donated by various community organizations, such as local schools and the Boy Scouts. Although any non-perishable food is welcome, there is a special need this month for **spaghetti sauce, jelly, and cereal**. Betty Lee Thatcher or Carol Weber will deliver this food collection to ACCA.

Thanks to our members for making the May food collection one of the best we have had in a number of years. With four overflowing carts of food and other supplies, we had to call on a number of volunteers to help us get the food outside for pick-up. The Annandale Food Assistance Site at Immanuel United Methodist Church was very grateful for this donation. Thank you for your continuing generosity; your monthly donations to our outreach programs benefit many low-income families in Northern Virginia.

## Reminder

Our monthly newsletter is generally available on the LLI website earlier than you will receive it through the mail. In light of recent extended delivery delays by the Postal Service, you may want to keep <http://lli.nova.org> in mind. Any pictures and/or graphics will also be in color on the website.

# Special Interest Groups

**PLEASE NOTE:** Because no newsletter is published during the summer months, this issue contains information for the Special Interest Groups for July and August, as well as for June. If you are interested in any of these activities, please retain this copy for future reference.

## LLI Arts & Smarts

Donna Trogler, 703-751-8932  
dtrogler@aol.com

1:00 p.m.

**Location:** Freer & Sackler Art Galleries; meet inside the Freer Gallery by the Information Desk.

**“Hokusai”:** *Thirty-Six Views of Mount Fuji* “by **Katsushika Hokusai** and *”Masters of Mercy: Buddha’s Amazing Disciples”* by **Kano Kazunobu**. Both of these exhibitions are in the Sackler Gallery. First, however, we will meet at the Freer Gallery to begin our docent-led tour by taking a quick look at two Hokusai paintings/drawings there before proceeding to the Sackler for these exhibitions.

The Hokusai exhibition, a series of renowned prints by Japan’s most famous artist, includes “Beneath the Wave off Kanagawa,” better known as “The Great Wave at Kanagawa.” There are also some rare early printings. The Kano paintings reflect a popular theme in Edo art — the lives and deeds of Buddha’s legendary disciples — and features selections from the artist’s 100 painting series created for the Pure Land Buddhist Temple, Zojoi.

This is a rare opportunity for us to see the work of these two artists together at one time. Due to time constraints, our tour will be an overview and an invitation for further individual research and learning.

Nothing is currently planned for July or August.

**Sept. 2012:** **“Slavery at Jefferson’s Monticello”** at the Smithsonian Museum of American History. **Paradox of Liberty** — Using objects from museum collections and archaeological excavations, this landmark exhibition examines slavery through the lens of Jefferson’s plantation and the experiences of six families living at Monticello. This exhibit may be of particular interest to members who sign up for the October trip to Charlottesville that will be announced in the near future. **Watch for details!**

## **Volunteers Needed — Please Help**

### ***Volunteers Needed for the Holiday Party***

LLI still needs volunteers to supervise plans for the Holiday party scheduled for December. Much of the promotion has already been completed. Colletta Hammond and other past coordinators are available to assist in this endeavor. Contact Merry Macke, 703-451-3248 or [merrymacke@verizon.net](mailto:merrymacke@verizon.net), if you are interested or have any other questions regarding volunteering.

### ***Volunteers Needed for the LLI Trip Committee***

Volunteers are needed to provide administrative assistance to the **LLI Trip Committee**. Assistance will be sporadic and on an as-needed basis several times a year in areas such as: writing trip announcements; helping with a "telephone tree" to contact trip participants; trip-related research; taking notes at Trip Committee meetings; etc. We would greatly appreciate your willingness to provide a bit of your time. The more hands the less work! Please contact Martie Klee at [martthaklee@verizon.net](mailto:martthaklee@verizon.net) or 703-644-4931 if you can spare some time. Thanks!!

# LLI's Annual Picnic

Tuesday, June 19  
Fort Hunt Park, Pavilion A

## Directions and More

**From the Beltway:** Driving the Beltway outer loop to Alexandria — take Exit 177A-B, Alexandria/Fort Belvoir (the exit immediately after Telegraph Road). Stay to your left on the exit ramp toward Old Town/Alexandria. At the traffic signal, go right onto Franklin Street. Follow Franklin Street to the next traffic signal at South Washington Street. Go right (south) onto South Washington Street, which becomes the George Washington Parkway, and follow the Parkway south for 5 miles; exit to the right at the sign marked "FORT HUNT ROAD/FORT HUNT PARK."

**From Ft. Belvoir:** Go North on Route 1 (Richmond Highway) and turn right onto Mt. Vernon Memorial Highway (across from the entrance to Woodlawn Plantation). When you get to Mt. Vernon, go around the circle onto the George Washington Parkway North. Approximately 3 miles from the circle follow the right exit to Ft. Hunt. At the second stop sign turn left toward the Park.

**Parking:** Look for Area A (Pavilion) parking lot (the first one you will see). There's parking for 150 cars and easy ground level pedestrian access from the parking lot to the Pavilion. There is handicapped parking up close to the Pavilion.

**General Information:** Because we have the use of the large roof-covered Pavilion, the picnic will be held rain or shine. If the weather forecast is for hot and humid conditions, consider bringing insect repellent, but we have found in past years that there is generally a good breeze which helps keep the temperature down, especially in the pavilion. We will be eating at park picnic tables with bench seats.

# Special Recognition and Appreciation for Solomon Tekola

Did you notice the gentleman running down the aisle to adjust the microphone at a recent Forum? Or the same man who substituted an older audio-visual machine when the presenter's material required a change of equipment?

LLI members who are responsible for programs in the Ernst Cultural Center building know Solomon

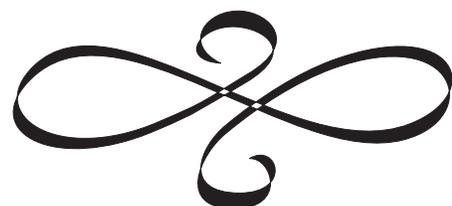

*Solomon Tekola*

Tekola well. He is the college employee who not only ensures the audio equipment is functioning properly, but also sees that the seating arrangement is adequate for 160 LLI members. Since many events in the

cultural center have differing requirements, Solomon faces the constant challenge of setting up and rearranging with only minimal time between the various activities.

Phil Myers, LLI's current logistics chair, states that "the tables, chairs, and podium are all set up when I arrive, usually about 8:30 a.m. He always asks me if the arrangement is ok. If there are any changes, including last-minute issues, such as a meeting in one of the Forum rooms after the regular meeting, he always makes the necessary arrangements. He never complains, and always follows any changes to the master floor plan."

Solomon, a native of Ethiopia, has lived in the United States for 30 years and has been employed at NOVA for 24 years. No matter what situation is encountered, Solomon has always been the "go-to" guy who solves all problems with a cheerful smile. As our Forum year draws to a close, we all owe him a big **THANK YOU** for a job well done.

## A Special Poem

July 2012 begins the 13th year of meetings for the LLI Poetry Group under the leadership of Richard Risk. One member of this enthusiastic group, Betty Lee Thatcher, was recently inspired while she was waiting at the Department of Motor Vehicles. We're sure you've all been there and will enjoy her observations.

### DMV

Every color, every race  
The people sit in rows, singly, with children,  
chatting with companions  
Tall people — fat — skinny — short  
Pale people — dark — swarthy — restless —  
tired — confused  
People with short hair, long braids, tight curls,  
unruly and carefully combed —  
White hair, gray, black, blond, red  
Young people, old, middle aged, holding babies,  
restless children  
Languages telling of another land and culture —  
confusing unknown sounds  
Who are they?  
Where do they come from?  
Do I sit next to a poet? a musician? a cab driver?  
a Medal of Honor winner? a housewife?  
Are they loving parents? caring friends?  
compassionate nurses? the town drunk?  
the local pastor?  
And so we sit and wait our turn. Numbers are  
called, people get up and move away.  
And so the DMV reflects who America is — the  
amazing diversity, the coming together of the  
world's people — the weaknesses, the strengths,  
the noble, the downtrodden

## The History of Aprons

**I** don't think our kids know what an apron is. The principal use of Grandma's apron was to protect the dress underneath, because she only had a few. It was easier to wash aprons than dresses and they used less material.

But along with that, it served as a potholder for removing hot pans from the oven. It was wonderful for drying children's tears, and on occasion, was even used for cleaning out dirty ears.

From the chicken coop, the apron was used for carrying eggs, fussy chicks, and sometimes half-hatched eggs to be finished in the warming oven.

When company came, those aprons were ideal hiding places for shy kids.

And when the weather was cold, Grandma wrapped it around her arms.

Those big old aprons wiped many a perspiring brow, bent over the hot wood stove.

Chips and kindling wood were brought into the kitchen in that apron; from the garden, it carried all sorts of vegetables. After the peas were hulled, it carried out the hulls.

In the fall, the apron was used to bring in apples that had fallen from the trees.

When unexpected company drove up the road, it was surprising how much furniture that old apron could dust in a matter of seconds.

When dinner was ready, Grandma walked out onto the porch, waved her apron, and the men folks knew it was time to come in from the fields for dinner.

It will be a long time before someone invents something that will replace that "old-time apron" that served so many purposes.

Remember Grandma used to set her hot baked apple pies on the window sill to cool. Her granddaughters set theirs on the window sill to thaw. They would go crazy now trying to figure out how many germs were on that apron. I don't think I ever caught anything from an apron.
